FEATURED ARTICLES

**READ IT TO LEARN IT...
DON'T WAIT UNTIL
YOU NEED IT!**

WHMIS is a topic that we have all heard a lot about but when we ask people detailed questions about it, they often can't answer them?

SURVEY SAYS...
the majority of people
don't know as much about
WHMIS as they think they do!

Roughly 80 percent of the time a worker is asked to recount some of the most basic details about WHMIS, they cannot.

TECH TALK: ARE WE TOO CONNECTED?

While walking down the street, how many people do you see looking down at their cell phones or talking on the phone instead of looking up and being aware of what's around them?

Everywhere we go we are connecting ourselves. A phone is a great tool for convenience, gathering knowledge and also a source of enjoyment from seeing pictures to playing games... but are we too connected?
